

The Oklahoma City Housing Authority is pleased to announce it has received a \$40,500 grant from the Oklahoma City Community Foundation and its Parks and Public Space Initiative. The grant will be used to assist funding tree plantings that increase utilization of existing recreation areas and aesthetic enhancements that improve the overall desirability of the area at Oak Grove, 3301 S.W. 17th Street, Oklahoma City, OK.

Founded in 1969, the Oklahoma City Community Foundation works with donors and organizations to create endowments that address needs and opportunities within the community. Grants awarded through the Parks and Public Space Initiative support programs that encourage the use of public parks for recreation, health and wellness activities.
